Re: Docket No. G-04204A-06-0463

Dear Commissioners,

Reject the requested customer charge increase for the residential consumer (Rate Schedule R-1 0). Don't allow a mix of the purchase price of gas with billing and meter reading..

Sincerely,

Richard DeVault

RE: UNISOURCE ENERGY SERVICES ("UNS")

Dear Richard DeVault:

Your letter regarding the Unisource Energy Services ("UNS") rate case will be placed on file with the Docket Control Center of the Arizona Corporation Commission ("Commission") to be made part of the record. The Commission will consider your comments before a decision is rendered in the UNS application.

The concerns raised in letters received from customers will assist the Commission in the investigation and review of the rate application. The Commission's independent analysis of the utility and its rate request attempts to balance the interest of the utility and its customers.

Commission Staff is very sensitive to the burden that high utility rates can place on the consumer, and though constitutionally required to allow a fair return to the utility, does everything within its authority to protect the consumer.

Staff appreciates your comments and the interest taken on the proposed rate increase. If you should have any questions relating to this issue, please call me toll free at (800) 222-7000.

Sincerely,

Guadalupe Ortiz
